

WARNER PARK COMMUNITY RECREATION CENTER NEWS

From
**BRAD
WEISINGER**

WPCRC Facility Manager

**Greetings Northsiders!
Spick and Span**

The WPCRC's annual weekly cleaning schedule is August 28 – September 4, 2006. Floors will be stripped and waxed, carpets shampooed, furniture and exercise equipment scrubbed, all in hopes that your visits here will remain enjoyable and comfortable. Thank you for your patience.

WPCRC roof maintenance

The WPCRC's roof will received some well-deserved maintenance this coming Sept.-Nov.r 2006. The core areas of renovation will be the gym roof and other flat seamed areas. This may result in some areas of the building having to close for parts of days. We apologize in advance for any inconvenience. We trust this renovation will lead to many years of Center preservation and to internal comfort for our customers.

Childcare Room

Expanded and updated schedule starts September 2006.

Mon, Wed and Thur: 5-8:00pm

Tues & Thur: 8:30-11:30am

Playroom Fees: Service Fee

Annual Membership holder: \$1 first

child, 75¢ second

WPCRC ID card holder: \$2 first child, \$1 second

HolidayFest 2006

December 2 marks the seventh year for WPCRC's annual HolidayFest Art and Craft show, featuring 100 vendors offering unique, one of a kind gifts from 9 am and 3 pm. A \$1 admission fee provides access to entertainment, food and door prizes throughout the day. Free parking available, so come early for the best spots. Four out of five Santas recommend our HolidayFest for your holiday shopping needs!

Food for Free Fitness

WPCRC wants to help those in need.

From Oct. 11-31 bring a non-perishable, not expired item ie: canned goods, sealed boxed foods, sugar, flour and hygiene products to WPCRC. Your non-perishable items will give you access to the exercise room or open gym. WPCRC ID cards are still required. We will support our Northside Neighbor Lakeview Food Pantry. So, help us help others during October. Let's show all Northsiders that together we can make a difference. Just bring your item to the front desk, and you'll help two people – you and your Northside Neighbor.

Share your Center with a friend. It's where you Belong.

Turn off your air conditioner when you're not at home. Set your thermostat to 78° or higher when you return. If we all reduce our air conditioner use by just 10%, we can save enough coal to fill 60 railroad cars. That's the power of working together.

For information on programmable thermostats and other easy ways we can protect the environment and conserve natural resources, please visit mge.com/summer.
