Warner Park Youth Football

The Warner Park Youth Football Program (WPYF) was established in 1972 by an interested group that cared about the children of the northside communities. The goal of WPYF is to deliver a full contact youth football program to youth and families of the Northside so that they may:

- Build character, self-esteem and personal confidence through performing as a team and through their individual accomplishments.
- Develop their athletic skills and techniques of football.
- Understand the proper definition of a team – a collection of players united to pursue a common objective and of which each player is an integral part.

- Have an equal opportunity to develop and achieve with teammates.

- Provide recreational experiences that balance fun, safety, individual athletic abilities and satisfaction from team achievements.

- Have an enjoyable season that is remembered for the rest of their lives.

On Aug. 5, the Punt, Pass and Kick Contest was held, along with the Parent/Player/Coach meeting.

The season starts on August 8 with the first practice and registration. Signup are at Warner Park on Tues., Aug. 8 and Wed., Aug. 9 at 4pm.

Please contact Jon Schwichtenberg for remaining availability on teams for boys and girls of every grade level. For more information please contact Jon Schwichtenberg at 608-332-2486.

North/East Side Sherman Youth Basketball

The North/East Side Sherman Youth Basketball Program (aka Badger Sporting Goods) has set the dates for basketball tryouts for the upcoming fall/winter season. New this season is our "Biddy Basketball" division within our program for boys and girls in kindergarten through 4th grade. All levels of play are welcome; all tryouts are for team placement of players. Each season goes until the end of February 2007.

Parents/Guardians MUST attend the tryouts to complete the registration form for their child. For the 5th - 8th grade players, you can download the

registration form in advance from our website. For the Biddy Basketball players, there is a special registration form you must fill out at the tryouts. There is a mandatory parent/player meeting right after all the tryouts! Registration fees vary by which team your child plays on (tournament or developmental). We have several volunteer opportunities to help offset your child's fees.
